The Huron Research Suite is Getting an Upgrade and will be Unavailable for a Few Days, Plan Now

May 12, 2021 – The Huron Research Suite (HRS) will be unavailable from 6 p.m. on May 21 through 8 a.m. on May 24 for scheduled upgrades. You will not be able to access any part of the system or make changes during this weekend. Please plan accordingly and save your work.

If you encounter any technical issues after the scheduled session, please contact Graduate & Research IT at GRITServiceDesk@ucf.edu.

The upgrades will provide several suite-wide enhancements including a new Dashboard, general display and usability improvements, and a new Site Search feature.

In anticipation of the upgrade, a briefing for the research community is scheduled during the May 19 EXCIT meeting. Updated Reference Guides will be available in the Help Centers in HRS on Monday, May 24th.
