

UCF Venture Launch™--UCF's new program for Innovators & Entrepreneurs

May 4, 2021 – The [Office of Technology Transfer](#) is proud to announce the roll-out of UCF Venture Launch™ a program sponsored by Orange County Government. This program is for current UCF graduate students, post-doctoral fellows, faculty, researchers, and staff, who are interested in learning about entrepreneurship.

The goal of UCF Venture Launch™ is to foster foundational growth of tech and tech-enabled early-stage companies to move UCF innovations into the market for public and community benefit. We do this by offering specialized learning, resources, and support that help to transform promising research results into early-stage ventures positioned for growth and success.

The program includes:

- 1:1 coaching
- Educational workshops
- Networking opportunities with seasoned entrepreneurs and investors

The program kicks off at noon on May 12 EST via Zoom.

To enroll, please call or email Kelli Murray, UCF Venture Launch™'s Program Chair at 407-754-5526 and kellimurray.ventures@ucf.edu or Svetlana Shtrom, Director of Technology Transfer at Svetlana.Shtrom@ucf.edu.
