

Is my research a Deemed Export?

Deemed Export Decision Process

NOTES:
 Fundamental Research Exclusion for EAR/CCL Technology qualifications:

- Basic or Applied Research in science and engineering at a institution of higher learning in the U.S
- Cannot be proprietary
- Results are or will be unrestricted and published
- No access, participation, dissemination or publication restrictions in an agreement or imposed by a sponsor
- Applies only to technical information, not tangible items (EAR) or defense articles (ITAR)
